

A vibrant Halloween-themed illustration. The background is a deep purple night sky with a large, bright white full moon in the center. Scattered across the sky are several yellow five-pointed stars. Silhouettes of three black bats with glowing yellow eyes are flying in the sky. In the center, a black silhouette of a witch wearing a pointed hat and riding a broom is positioned in front of the moon. At the bottom of the image, there are rolling hills in shades of orange and yellow. Several jack-o'-lanterns with carved faces are placed on these hills. On the left side, a white ghost with a surprised expression is visible. On the right side, a black silhouette of a cat with glowing yellow eyes is standing.

Down by the Spooky Bay
Where the pumpkins grow
Back to my home
I dare not go
For if I do
My Mummy would say...

**Have you ever seen a ghost
Eating some toast
Down by the Bay**
